## Relevant Video Production Experience

**Full Time Videographer & Editor - Kennesaw State University, June 2017 – Present**

Senior videographer and editor for KSU's Office of Strategic Communications and Marketing. Shoot and edit video content for marketing campaigns. Oversees video and audio production gear, as well as digital video assets on a shared server space (EditShare and Dropbox).

**Assistant Editor - Coca-Cola Studios, January 2015 - June 2017**

Assisted with corporate editing projects like the Sprite All Star Weekend project. These showcase large-scale events sponsored by The Coca-Cola Company and feature celebrities like Lebron James. Helped maintain in-house gear and filmed b-roll as needed for certain projects.

**KSU Student Production Assistant & Editor - August 2011 - August 2016**

Worked at in-house video production studio at Kennesaw State University to assist with shooting and editing videos for the university's needs, such as TV commercials, online department promos such as COTA and the Coles College. Also worked on set as a production assistant and/or camera operator during most shoots during this time.

**Freelance Videographer 2011 - Present**

I work on numerous freelance video projects including wedding/sorority promotional videos, music venue live performance video capture, Atlanta Boy Choir social media ads and music video production, and a safe driving video program for Steer Smart. I coordinated all of these video projects, as well as shot and edited them.
